e are very honored and enthused to serve as **Volunteer Co-ordinators** for the Centre Street Church Maranatha ministry to seniors, beginning this September. Demographic trends in our fast-changing world indicate that for the first time the number of persons in Canada aged 65 and older exceeds the number of children aged 0 – 14 years. With over 1,500 persons in the CSC database who identify as seniors, we are a vibrant Church community that includes hundreds of seniors who regularly participate in a range of ministries that provide opportunity for spiritual growth, service and fellowship. We are excited about joining with our seniors and welcome you to connect with the Maranatha seniors ministry.

Let's pray for one-another as we work together and serve the Lord Jesus Christ in the months ahead through our CSC ministry to seniors.

**W**e now have a highly qualified visitation team that will come along side any senior that requests a visit. We are prepared to pay you a short visit in the senior's facility, hospital, or hospice in which you reside, or at your home. Where possible, a phone call will precede the visit. We especially wish to serve people that are lonely, shut in or hurting physically, emotionally or spiritually. We will pray for you and/or serve communion if desired.

*Please note we do not offer any medical or counselling services; we are strictly lay people that desire to be the hands and feet of Jesus.*
